

**SUNDANCE**

## Your Legacy

Handing down time-honored traditions to your children or grandchildren is more than just a day on the water, it's a rite of passage. To truly enjoy the smiles, laughter, and those priceless memories, you'll want the reliability and peace-of-mind of one of boating's oldest and most-trusted brands.

Accept no substitutes. Own your legacy. Own a Sundance.

# DX Series

MODEL: DX22 / DX20

## Elegant & Reliable

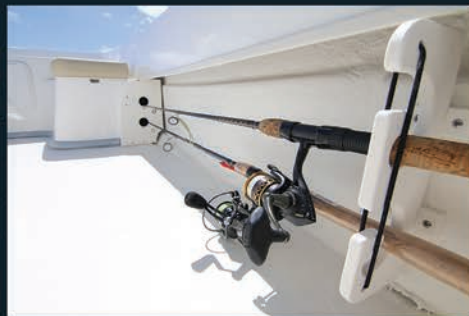

With two models ranging between 22' and 20' feet, the DX Series offers affordable luxury without sacrificing the needs of the serious angler. Large enough for comfort, yet small enough for easy storage and maintenance, your DX will be the center of life on the water.

# B Series

MODEL: B22 / B20

## Versatile & Fun

Rock solid and ready for hard-core fishing, the B Series offers incredible stability and reliability, with an easy-to-clean, spray-and-go floor. Offered in two models between 20' or 22', these classic models are the ideal platform for years and years of water adventures.
